	1 <sup>st</sup> Choice ✓	2 <sup>nd</sup> Choice ✓	3 <sup>rd</sup> Choice ✓
1. 10 minute parent interviews after school. Written reports and portfolios issued beforehand.			
2. 10 minute parent interviews held from 12.30pm to 8pm over one day. Written reports and portfolios issued beforehand. Students sent home for afternoon but supervision provided by school where this is not possible for some families.			
3. Extend parent interviews to 20 minutes held over one day from 8am to 8pm. Parents, teacher and student would look at work books, portfolios and a summary sheet of progress made. Parents would receive a copy of the summary sheet once completed including progress graphs in reading, writing and mathematics. Parents would be asked to make alternative arrangements for supervision but school would provide supervision where this is not possible from home.
