I/We wish to apply for my son/daughter _____ to be placed in a laptop class for 2010.

I understand this will require us to purchase or lease a laptop for our child's exclusive use at school. I understand that the laptop to be purchased or leased must meet school specifications as displayed on our school website and available from the school office.

I understand and have read the conditions on the reverse side of this form including the payment of a technical support fee to the school (once only cost).
