

Otumoetai Intermediate School Laptop programme 2012

Students, who choose to participate in the 2012 laptop programme, now have more choices.

You can choose

- **Where** and **when*** you buy: *The Technology Centre and Noel Leeming have committed to providing academic pricing for our students.*

- Your preferred laptop **brand** and **model**.

- The **price** that best fits your budget and needs.

* **Laptops should be ready for use in class by the second week of classes in 2012.**

The Technology Centre and Noel Leeming will provide packaged deal prices for base model and higher performance laptops. Please check our school website for further information.
