Dear parents, caregivers, students and friends of the school. Tena koutou katoa. Nga mihi nui ki a koutou katoa.

Welcome back to all our students and a warm welcome to families who have joined the school this term.

This term all students will be asked to continue focussing on learning to a high level of attainment and developing the skills to be responsible citizens. Manners, consideration of others and high standards of presentation and behaviour will continue to be expected and a continuing focus school wide. All parents know we place a high priority on making our school a happy, safe, secure and supportive environment for all.

Our PTA Home Garden competition kicks off this term and information will be coming home this week.

We are looking to fill three parent representative positions on our Board of Trustees in December. Nominations for candidates have opened and we encourage our current and prospective parents to consider standing as a candidate in the upcoming Board of Trustees mid-term elections. More details to follow in this newsletter.

The Kāhui Ako principals met as a group and decided to cancel our Te Rā Rēhia 2020 Kapa Haka festival for this year. This is due to the effect of COVID-19 on each school’s ability to prepare a kapa haka group to performance standard. It is hoped to hold the next kapa haka festival in November 2021.

We are still planning to hold our Grandparents Day on 4th December 2020. Further information will come home this week so families can plan for this. We will, of course, be mindful of our responsibilities under COVID-19 Level 1 and organise the day in such a way we can spread everyone out, maintain contact tracing and hygiene.

ŌTŪMOETAI INTERMEDIATE BOARD OF TRUSTEES ELECTIONS

We encourage all parents to consider standing for the Board of Trustees in the upcoming Board elections. If you have an open mind to the progressive nature of our children’s education you would be a valued member of the Board. The time commitment is approximately two meetings per term with some prepared reading in advance, which is supplied before the meetings. We discuss aspects of curriculum, property, finance and strategic planning at our meetings. You will be welcome to contribute at Board meetings, ask questions, and up skill yourself in the role of governance within the school.

If you are considering contributing to Ōtūmoetai Intermediate, we would encourage you to stand in the upcoming Board elections. Nominations are invited for three parent representatives to the school Board of Trustees. A nomination form and a notice calling for nominations has been emailed to all eligible voters. If you have not received this email but would like to nominate yourself or someone else, please contact the school office on 07-576 5105 or email bschollum@otuinter.school.nz for a nomination form.

B Schollum, Returning Officer

Election Timeline

- Nominations are now open
- Nominations close 12:00 noon: Sunday 1st November 2020
- Voting Closes 4:00 pm: Friday 4th December 2020
- Results declared: Thursday 10th December 2020
- New Board takes office: Friday 11th December 2020
- First Board Meeting: Thursday 25th February 2021

TEACHER ONLY DAY REMINDER

A reminder that there is a NZEI Accord Teacher Only Day on Tuesday 27th October 2020 (attached to the Labour Day weekend). Our school will be closed for instruction on that day.

This Teacher Only Day is being held alongside our six contributing schools - Ōtūmoetai Primary School, Bethlehem School, Brookfield School, Bellevue School, Matua School and Pillans Point School.
STUDENT LEADER TOURS

Last term our student leaders took some of our transitioning Year 6 students on a tour of our school. Following is some feedback from a Deputy Principal at Pillans Point School:

“The transition tour was fantastic. Estee and Finn were great leaders. I'll send an email to their parents with this photo to say how awesome they were at leading us around your lovely school. One of our boys said “I feel less nervous now” so it's worth the effort, even if it helps just one person to feel less worried. Thanks again for your support to make these transition trips happen.”

SPONSORSHIP APPRECIATION

The Lion Foundation
Over the holidays, our school received a $20,000 grant from the Lion Foundation to go towards basketball goals and lighting under the new canopy. We would like to thank the Lion Foundation for their support of these new facilities.

Eves Cherrywood
We would like to thank Eves Cherrywood for their continued sponsorship of our Sports Academy.

Eves have supported our school since 2004 and we really appreciate our partnership with Allison, Gordon and the Cherrywood Team.
Thanks to the following businesses for sponsoring our school app:
WESTERN BAY OF PLENTY SPEECH COMPETITION

In term three, Miss Pullman and Mrs Brewerton worked with 14 keen speech writers to see who would represent our school in the WBOP Speech Competition. After a hard-fought in-school competition, Layla Sutcliffe was chosen as the Year 8 representative, and Adam Sushames as the Year 7 one.

During the last week of term, we went to Omokoroa No 1 School where Layla and Adam were up against the winners of the Year 7 and 8 speech competitions from the WBOP district. The standard of speeches was superb and very interesting to watch. We weren’t sure how we’d go as our school hasn’t been part of this competition for five years. The results: Adam Sushame’s speech about superheroes won second place for the year sevens. Fantastic job Adam! Layla Sutcliffe took home first place for the year eights with her speech about the pink tax. Fabulous work Layla! We’ll definitely be entering again next year.

M Brewerton, Teacher

ROBOTICS SCRIMMAGES

Last term, our four robotics teams competed in two scrimmages. The teams used the robots they have been building since term 1 to scrimmage against other teams from Katikati College and the House of Science. They were tested on their ability to drive their robot and how many points they could score on the game in only one minute. The teams enjoyed the opportunity to test their skills against other teams and are looking forward to the next scrimmage and Nationals this term.

DANCE NZ MADE NATIONAL COMPETITION 2020

On the 18th September, a team of dancers travelled down to Palmerston North to compete in the Dance NZ Made National competition. Our team of five dancers: Lulu Moore, Sophie Lane, Holly Marjoribanks, Holly Fitzgerald and Abbi Prentice qualified in the regional competition last term placing first in the Tauranga group section for Year 7 / 8. They placed second overall in the groups section for Tauranga. Lulu placed first in the Year 8 solos and Sophie placed first in the Year 7 solos.

Leading up to the National competition the girls put in lots of rehearsal time to get their group and solos to a strong performance level, which paid off. The group placed second in the Year 7 / 8 category nationally and Lulu and Sophie taking out the Year 8 and 7 top solo awards respectively.

We are very proud of the girls representing our school, as well as their hard work and dedication.

UNIFORM CHANGES FOR TERM 4

As this term is a summer term, there are some changes to our uniform requirements:

- All students must wear a school sun hat when outside. These are available for $10.00 from the Resource Room.
- Students are encouraged to wear sun glasses and use sunblock daily.
- Students have a choice of brown or black sandals. We are moving to black sandals next year.
- Students have a choice of white or black ankle socks to go with their plain black shoes. We are moving to black ankle socks for everyone next year.

Grooming:
The school’s grooming bylaw is intended to be age appropriate yet inclusive of all cultures and religious beliefs. Our focus is on students being able to learn in a supportive environment without unnecessary distractions.

Expectations:
- All students are expected to look natural in appearance.
- Hair must be natural in colour and appearance (this means no unnatural colouring or hair dye).
- Long hair must be tied back during technology classes.
- Makeup or fingernail polish is not permitted.

Jewellery Permitted at School:
- Plain stud or studs in each ear.
- Watch.
- Medic Alert bracelet.
- Taonga such as a religious pendant, greenstone pendant or bone carving. (These may be worn in full view but will need to be tucked under the top in the hard materials workshop.)
- Religious bracelet.
- Hair ties and braids.

Jewellery Not Permitted at School
- Round sleepers in each ear. (NB – these can cause injury to your child in school sport or physical education.)
- Body piercing.
- Trinkets.
- Bracelets.
- Necklaces.
- Neckbands, ankle bracelets
- Rings

Cultural or Religious Considerations:
- Variations to the school’s grooming bylaw for religious or cultural reasons will be treated on a case-by-case basis.
SUNGLASSES ARE AN OPTIONAL ITEM AT SCHOOL

In 2014 we surveyed parents and caregivers to see what they thought about introducing sunglasses at school. Here are the results of their feedback:

![Bar chart showing the results of the survey on whether sunglasses should be added to the school uniform.]

The majority of people who responded supported this move by the school and, as a result, sunglasses are now an optional item for our uniform.

Most parents and caregivers expressed the wish that they be given the choice of style and where glasses are able to be purchased and as a result, we will leave this to parent’s discretion.

The expectation is that sunglasses worn at school are in school colours and with a 100% UV rating, eg black, white, red, green or blue.

The school will take care to ensure students are acting in a safe manner while wearing glasses, but it remains the students’ responsibility to look after their own glasses and keep them in a safe, secure place just like their sun hats.

**Naming Sunglasses at School**

We will have engraving tools available in the library before school for students to engrave their name on the sides of their glasses or other personal items.

This service will be provided by the school student leaders.
Why We Believe Sunglasses at School are Important.

As soon as the sun comes out, we all know we should slap on sunscreen and put on a hat to protect ourselves against ultraviolet rays. These can burn the skin, causing premature ageing and cancer. But what many people don’t realise is that UV rays can also cause serious and potentially irreversible damage to our eyes. In fact, eyes are ten times more sensitive to UV light than the skin, according to the British Eyecare Trust. It is children who are most at risk, because younger eyes have bigger pupils and clearer lenses, allowing up to 70 per cent more UV light to reach the retina than an adult's eye does.

Worldwide, experts are urging adults and children to wear sunglasses as soon as the sun comes out - winter or summer. Even when it is overcast, UV light penetrates into the eyes and experts advise wearing sunglasses whenever the UV rating is three or higher. Sun damage is linked to serious eye problems such as age-related macular degeneration (AMD), the leading cause of irreversible blindness in the industrial world. Sunlight is also linked to other eye conditions including cataracts, pterygia (benign growths on the white of the eye, which can end up blocking vision) and skin cancer of the eyelid. Very bright sunlight - reflected off sand, snow, water or the pavement - can cause immediate damage to the cornea, the eye's surface.

One of the most effective ways to protect our eyes is to wear sunglasses. In some Australian schools, it is mandatory for children to wear sunglasses in the playground.

HOW CAN I BE SUNSMART?

Being SunSmart is about covering up – with clothing, a broad-spectrum sunscreen, a hat and sunglasses. Remember to SLIP, SLOP, SLAP and WRAP. To find out more about ready to wear sun protection clothing that fits the bill click here.

SLIP into a long-sleeved shirt and into the shade. Generally, fabrics with a tighter weave and darker colours will give you greater protection from the sun. There are also certain fabrics on the market that have a SPF rating.

SLOP on plenty of broad-spectrum sunscreen of at least SPF30+. Apply sunscreen at least 20 minutes before going outdoors and reapply every two hours. Read more about using sunscreen.

SLAP on a hat with a wide-brim or a cap with flaps – more people are sunburned on their face and neck than any other part of the body.

WRAP on a pair of wrap-around sunglasses – UV radiation is just as dangerous to eyesight as it is for the skin.

BRIEF SNIPPETS

• If your child is not returning to year 8 at our school next year, please notify our staff at the office.
• Lollies, energy/fizzy drinks and chewing gum continue to be banned from our school.
• The PTA Home Garden Competition is being held this term and all students have received their entry forms.
• All students have homework every week. Details about our Home Learning Grid can be viewed on our school website – look at the “About Us” page.
• Attendance: We expect all students to arrive to school on time, be at school every day and to be well prepared for their learning. School starts at 8.45 am and students who are late often miss the early notices, key instructions or even the mathematics, reading and writing programmes that commence before 9.00 am.
• Late Students: Students arriving late for school need to sign in at the Absentee Desk in the Resource Room. We will be contacting parents and caregivers to put in place an action plan for persistent late comers or absentees.
• School daily notices are online. You can access these through our school website.
• Students may travel to school on scooters and bikes. Skateboards, however, are banned.

CAMP REMINDER

Just a reminder that the Year 7 camp at Ngatuhoa Lodge is due for payment in full before students attend. The cost of the camp is $130.00 and the dates for this term are as follows:

- Room 11 – 28th to 30th October 2020
- Room 13 – 2nd to 4th November 2020
- Room 18 – 4th to 6th November 2020
- Rooms 14 – 9th to 11th November 2020
- Rooms 12 – 11th to 13th November 2020
- Rooms 6 – 16th to 18th November 2020
- Rooms 8 – 18th to 20th November 2020
- Rooms 20 – 23rd to 25th November 2020
- Rooms 17 – 25th to 27th November 2020
- Room 5 – 7th to 9th December 2020
- Room 7 – 9th to 11th December 2020

Some families prefer to pay by automatic payment. Our account number for this is 12-3407-0029060-00. Please include your child’s name, room number and reference, eg: Camp, etc with any online payments.

With all online payments, please also return any permission slips to the office.

SPORTS NEWS

To make up for the loss of the AIMS Games, teacher Lanna Gell used her passion for Crossfit to offer the students a new experience. One that would challenge their fitness across many disciplines. Strength, endurance, power, speed, agility, and gymnastics to name a few. Due to an overwhelming expression of interest from the students, trials needed to be run to determine the top ten boys and girls from each year level. Those top 40 athletes competed against one another in 10 different challenges collecting as many points as they could to be crowned ‘The Fittest in OIS’.

From jumping over boxes to sled pushing, from handstand walking to moving wheelbarrows, all muscles and respiratory systems were challenged. Athletes found themselves placing really well in some events and not so well in others. Testing yet more skills, resilience, and persistence. Who was able to commit to the competition and continue to battle and do their very best despite the result? It was admirable to see a large group of the original 40 stick it out and see the competition through week after week for over a term. In light of this, one athlete from each division was also awarded a medal for ‘Outstanding Attitude’.

A massive thank you as well must go to the amazing judges below from Room 22 who also committed to helping run each challenge every week. This competition was not possible without you. And a final thank you to Dominic for all his time and effort in putting the inspiring videos together each week to keep everyone hooked.
