Dear parents, caregivers, students and friends of the school. Tena koutou katoa. Nga mihi nui ki a koutou katoa.

Welcome to edition 12 of ‘The Link’.

Term 4 is well underway with a continued focus on high levels of achievement by all students. Our Education Outside the Classroom Programme has commenced with all Year 7 classes attending camp at Ngatuhoa Lodge and Year 8 classes commencing a day at Waimarino.

In sports, the spotlight has moved to summer sports. Last Friday we held our annual Athletics Day which included a team skill-based activities as well as the sprint finals.

Academic pursuits have also featured strongly at school. End of year assessments are about to commence and we will be preparing for next year’s classes over the next four weeks.

All in all, it is a busy time and we appreciate the support and assistance provided by parents involved in sports, class trips, outdoor education and PTA.

**PTA NEWS**

The PTA had their final meeting for 2020 on 10th November 2020 and we would like to thank our outgoing members for their service to and support of the school.

Our next meeting will be held on Tuesday 16th February 2021 where we will welcome new parents.

**YEAR 8 GRADUATION SOCIAL**

The Year 8 Graduation Social will be held on Tuesday 15th December 2020 from 7.00 pm to 9.30 pm. Details of this function will be sent home in early December and tickets will go on sale soon after. Participation at the Graduation Social is by invitation only and students who have shown themselves to be positive and good citizens at school can expect their invitation over the coming weeks. The dress code for the social is:

- **Boys** – dress pants (no shorts) and a shirt with a collar (no-t-shirts). Leather shoes – school winter shoes are fine. No sports or skate shoes. Dress jeans are acceptable (ie pressed and in good condition). Cargo jeans are fine. Lava lavas are also acceptable.

- **Girls** – should wear a dress, skirt or evening pants. No midriff or strapless dresses or tops. Low heeled shoes or sandals with a back strop to avoid slipping while dancing. No skate or running shoes.

Students are not to bring bags to this function – further information will be in the Year 8 letter which will be given out in the next couple of weeks.

**Pick Up**

This is a heads up to let parents know what the arrangements will be for picking up your child at the end of the Year 8 graduation social. We ask that parents wait outside the hall near the front door and, if it is wet, we will open up the ICT rooms for shelter.

Parents will NOT be able to enter the hall during the social because of health and safety restrictions and fire regulations. At the end of the social, the front doors will be opened and parents will be able to enter and collect their child. Exit will be through the hall side door near the outside toilets.

Please do not ask to be admitted earlier as we do not wish to offend by saying no.
2020 ICAS EXAMS RESULTS

At Ōtūmoetai Intermediate, any student who wishes to sit these international competitions may do so. ICAS Assessments are online assessments, designed to assess students’ ability to apply classroom learning in new contexts, using higher order thinking and problem-solving skills. The assessments are based on the curricula for the relevant year. Students are asked to demonstrate a deeper, integrated, and thorough level of learning. Students are rewarded with either a Participation, Merit, Credit, Distinction or High Distinction certificate. This year we had a number of students achieve Distinction, which is the top 10% of participants. A High Distinction means that the student is in the top 1% of participants.

SPORTS NEWS

Athletics Day

An awesome day with over 900 students participating in a range of tabloid sports events alongside the track and field finals.

It was an impressive time to watch, and feel the vibe of our students having such a great time with all of the running, jumping, slipping, and sliding. After watching the power and speed of the sprinters all eyes turned to the penultimate event, the 4 x 100 teacher verses student relay. Both teams got off to a blistering start but a missed batten change saw the students fall behind but the speed of the students winkled down the teachers’ lead for a photo finish.

It was an amazing day with the following results:

Inter-Intermediate Sports:

Volleyball:
On Friday 6th November 2020 a selected group of students were invited to play in a local volleyball tournament, organised and run by our Sports Co-Ordinator, Jo Dey and College Students at ASB Arena. Ōtūmoetai Intermediate took a selection of both year 7 and 8 students consisting of two girl teams and two boy teams. The Year 7 boys played five games, coming away with two wins and two losses, one by a single point to finish third overall. The Year 8 boys were unbeaten in round robin, playing and winning six games and drawing two. Moving in to the semi-finals, the lads beat a determined Te Puke team, setting up a final against Ilminster. It was a hard battle which Ilminster ended up winning. All the students trained hard throughout the term and played extremely well on the day, showing a high level of skill and sportsmanship over the day with some great results:

• Year 8 Girls | 1st Place
• Year 7 Girls | 3rd Place
• Year 8 Boys | 2nd Place
• Year 7 Boys | 3rd Place
Waterpolo
Last week our school took part in the North Island Intermediate Waterpolo Championships held at Baywave. There were 40 teams competing and after two draws, three losses, and three wins we ended up placing seventh and won the A Grade Plate trophy. This was a great competition against some of the best Intermediate age waterpolo players in the country, and it was also fun to bond with our team mates. A big thanks is needed for our coach, Tarquin, our manager, Wayne, and all the parents who watched and supported.

Liam Good, Miah Smith and Ben Chappell

Out of School Sports:

Chess
Nrusingha Rath competed in the Chess Power Sarapu Cup Pairings Tournament at Rotorua recently and won the 1st Overall trophy in the Rooks Division. Out of the total of seven games in the tournament today, he won six and drew one.

TAURANGA CITY COUNCIL
Long-term Plan (LTP) 2021-31

The LTP is a 10-year plan which is refreshed every three years, to review progress towards our city’s priorities and amend those priorities if we need to. It’s also a chance to find a balance between what we need and what we can afford, allowing all residents to have their say on the future of their city. More information on the LTP can be found here - www.tauranga.govt.nz/ltp.

Currently Tauranga City Council is reaching out to the community to start determining the level of involvement you would like to have in the LTP process. Whether this means providing regular updates through school newsletters and/or hosting workshops for you to attend, they want to know the best ways to support you in getting the information you need.

This is your opportunity to help build a great city for yourselves and your children.

They will be in touch again in the New Year to discuss the ways you may like to receive information and how they can support you through the LTP process. In the meantime, please contact Jacquie Jardine of Tauranga City Council at: Jacqueline.Jardine@tauranga.govt.nz if you have any questions and/or comments.
