

Dear parents, caregivers, students and friends of the school.
Tena koutou katoa. Nga mihi nui ki a koutou katoa.

Welcome to our final newsletter for 2018. This has been another awesome year with our students positioning Otumoetai Intermediate as one of the leading Year 7 and Year 8 schools in New Zealand once again.

A major feature of our school has been the high level of enthusiasm, skill and self-belief shown by the students in all aspects of school life. Every year we endeavour to develop in our students an expectation of manners, friendliness, encouragement, commitment and aspiration to do their best at all times.

All representative teams leave the school with a winning attitude coupled with a belief in themselves and their team mates. The year's results highlight this. This does not happen without the support and dedication of staff and parents. This has been an active and, at times, hectic year for the staff. I would like to publicly thank every member of the team for their commitment to the students. On behalf of the school community, I would like to say a big thank you and wish them all a restful break over the holidays.

As Principal, I have appreciated the continued support of our parents, Board of Trustees, PTA and students. We have something special at Otumoetai Intermediate School and I look forward to a challenging and exciting year in 2019. To all our families, friends and sponsors, a big thank you and a very Merry Christmas and prosperous New Year.

TE RĀ REHIA KAPA HAKA FESTIVAL

Otumoetai Intermediate School hosted a Te Rā Rehia Kapa Haka Festival on Friday 23rd November 2018. A fantastic day was had by all. Below are some photos from the day. Visit our facebook page to view more photos.

FINAL ASSEMBLY AND END OF YEAR AWARDS

Tuesday 18th December 2018 at 11.00 am

At this final assembly we will celebrate our students' successes and present the school's top award "The Principal's Award" to students who have made outstanding contributions to the school and excelled across all four disciplines. These disciplines are: citizenship, sports, cultural and academic attainment. This is the 14th year we will be presenting these red ribbon awards to recognise the achievement of our top students. The basis for selection will be "Student Involvement and Success" forms from their portfolios.

Parents are invited to join us at this final assembly to celebrate the year

MUSIC ACADEMY TOUR

The Otumoetai Intermediate Music Academy of 2018 concluded a busy year by touring around the local contributing primary schools. In lunch times, weekends and after school, students put together an engaging 45 minute program of music which they were very excited about performing to a live audience. The Music Academy tour was a fantastic opportunity and experience enjoyed by all students and was well received by all of our audiences.

Students learnt a range of performance and musical skills and began to understand what it really is like to be a travelling band on tour. A huge congratulations to all Music Academy students for putting together a fantastic and successful music tour for 2018. We wish to thank everyone that was involved - parents, students and our audiences.

Miss Neal, Music Teacher

CHRISTMAS CHOIR AND PERFORMING ARTS

The Otumoetai Intermediate School Choir love to give back to the community around this time of year. Last week the school Choir visited an elderly “Care and Craft” group at St. Columbus Church, Cherrywood to sing a variety of Christmas Carols. They beautifully sung a range of traditional and contemporary songs that brought a lot of joy to this group of people. The choir’s favourite song was “Rudolf the Red Nosed Reindeer”. Students from the Performing Arts academy and schools Concert Band also joined with some engaging dances and songs.

A big thank you to all students who were involved with the Christmas Performance 2018. You were extremely generous in your time, bringing joy to the community this Christmas. Well done.

Miss Neal, Music Teacher

PERFORMING ARTS ACADEMY REST HOME PERFORMANCE

In week 8 the Performing Arts Academy put on a festival performance for two local rest homes. This performance included dance, drama and singing items created by the students. Afterwards, they shared an afternoon tea whereby the students and our guests had the opportunity to sit and chat together. It was a fun-filled rewarding afternoon for our students, and our guests were overly impressed by the talent, passion and confidence that our students have.

Ms O'Sullivan

ZONTA/ROTARY AWARDS

These are endeavour awards with the intention of providing a deserving student with a helping hand for College. Six girls and six boys were chosen by the school who then made a short presentation of their choice (eg speech, poem, song, dance, etc) to a select group of Zonta and Rotary members. Each of the six girls and six boys were given a book voucher to the value of \$25.00 and one boy and girl is selected as overall winners and awarded a credit of \$200.00 at their future secondary school for uniforms, books, fees, etc. The overall winners for 2018 are as follows:

- Zonta Award - Māanawatanga Marston
- Rotary Award - Montana Wheeler

YEAR 8 SOCIAL

Photos

There will be a photographer present on the night and photos taken will be available on line at http://carters.photoprintordering.com/pro_event.html, password: oisb18, or at Carters Photographics, 42 Grey Street, Tauranga. Prints are: 6 x 4 = \$3.00 each, 5 x 7 = \$4.00 each. All orders will accrue a small service fee and have a delivery or pick up option. For more information, call Carters Photographics on 578-9417.

Note: Otumoetai Intermediate School Facebook photos *will not be available* this year.

Pick Up

This is a heads up to let parents know what the arrangements will be for picking up your child at the end of the Year 8 graduation social on Monday 17th December 2018.

We ask that parents wait outside the hall near the front door and if it is wet we will open up the ICT rooms for shelter. Parents will NOT be able to enter the hall during the social because of health and safety restrictions and fire regulations. At the end of the social, the front doors will be opened and parents will be able to enter and collect their child. Exit will be through the hall side door near the outside toilets.

Please do not ask to be admitted earlier as we do not wish to offend by saying no.

ADAM CLARKE SCHOLARSHIP AWARD

Adam was a highly talented student who was of great assistance as an ICT helper and peer mentor when he was a student at our school in 2003 and 2004. Sadly, Adam passed away in 2011 and David Isaacson, the school ICT teacher at the time, has kindly sponsored an annual scholarship in his name. David is now living and working in Melbourne but continues to take an active interest in our school.

The Adam Clarke Scholarship is to acknowledge Year 8 students each year that have been particularly helpful in ICT over their two years at our school. The Scholarship is for the amount of \$100.00.

It was our pleasure to award the 2018 Adam Clarke Scholarship to Sienna Paxie.

We would like to thank David for this kind donation and instigation of this award in memory of Adam.

TRINITY EXAMS

A fantastic effort and result by all! Well done!

SCHOOL ITEMS

Office Hours

Please note that the school office will be closed from 1.00 pm on Tuesday 18th December 2018 and re-open on Wednesday 30th January 2019 for hat purchases and pre-ordered stationery collections. The school is open for instruction on Monday 4th February 2019 at 8.45 am.

Medications

All student medications that have been held at the office need to be collected by the last day of school.

Lost Property

Please ensure all students have looked through our lost property for any lost items.

Astro Turf

Please note that our Astro Turf is available for hire for people from our community. Keys are available from the school office for \$20.00 plus a \$5.00 refundable bond. Key hireage is on an annual basis and new keys are issued on 7th February each year at which time old keys need to be returned.

Uniforms

Please note that students are able to bike to school in their PE shirts for better visibility on the road but must change and wear our full school uniform once at school.

SERVICE LEADERS

Farewell and Many Thanks To Our Service Leaders

More than any other leadership theorist, Robert Greenleaf helped us understand that leadership is all about service. Servant-leadership puts others first – in the hopes of promoting a sense of community. The Dalai Lama has said, 'If you seek enlightenment for yourself, simply to enhance yourself and your position, you miss the purpose. If you seek enlightenment for yourself to enable you to serve others, you are with purpose'.

I would like to acknowledge the work that our Service Leaders have done over the 2018 school year. I would like to thank you all for your help, hard work and for the support that you have given, not only to me but to Senior Management and to our school in general. You have attended special events as school representatives, attended information evenings, taken guests on tours, worked in school delivering messages morning and afternoon, covered the canteen, PE monitors at lunchtimes, monitored our litter, run the engraving, run assemblies and as we saw last Friday by Karlia, when asked, some of you write and deliver incredible speeches.

Recently, when I was thinking of the criteria by which to choose our new service leaders for next year, I thought about what it was that you all demonstrated this year. The personal attributes that you have shown came to mind like: shows initiative and has that 'can-do-factor', can be relied upon, is organised, looks for ways to help those around them, can speak well in front of groups, are resilient and can have plans change on you with little or no notice and cope, you are trustworthy and do the right thing at all times. The job you do in school is big and you have all done it so well.

It has been a pleasure to work alongside such a respectful, giving, up-beat and happy team of hard working students. I wish you all the very best for college next year. Take every opportunity that comes your way and give everything your best shot, you will be rewarded for the effort you put in.

Thank you team, go well.

Ms McPike, Student Support

LEARNING LEADERS Thank You for Your Contribution

These students are the voice of the learners in our school. Prior to going into the classrooms they are involved in training sessions where they work with a partner gaining skills to be able to observe, discuss, evaluate and prepare a report to feed back to the teacher what the learners in the class have experienced.

This involves; observing how students are responding to the lesson, active listening to what students are contributing and making quick notes. They also ask questions of the students in the class and finally prepare a written report. The contribution they make is unique as it is an opportunity for teachers to get constructive feedback from students, often providing information that they are very appreciative of. Seeing lessons from a learner's perspective can be very different from a teachers view. Teachers take the feedback seriously and are often very impressed with the depth of thought and insightfulness that these students present.

So a big thank you to all of our Learning Leaders and we wish you success in your secondary experience. Use the skills you have learnt to become a better learner in your future educational experiences.

A quote from one of these students:

"I have learnt a lot about what a teacher does to make learning easier for me to understand and how I could comment about a lesson so the teacher would be appreciative about my feedback."

Thank you again for your contribution to our school.

Warm regards.

Mrs Hutchinson, Deputy Principal, Curriculum

RUTHERFORD

Fingerprints, Forensics

This term the Rutherford Science students studied Forensic Science.

They started off with fingerprints and made a great inky mess fingerprinting each other! These were identified, classified and compared with each other. The students proved to have a great eye for detail, easily identifying and matching ridge patterns. Then came the memory tests. Students turned into crime scene witnesses with a very broad range of results!

We touched on the fascinating subject of blood, but all good things must come to an end and science is over for the year. Both the Year 7 and Year 8 students have been an absolute pleasure to be with each Friday. The year 8's are leaving and after being in the privileged position of teaching them for two years, I will really miss them. What a wonderful and insightful group of clever young people they are. I wish them well.

New Year 8's will start their Rutherford year off sometime next year with Marine Biology – specimen supply leads us down some interesting paths!

The Year 7 Science Scholars have had an equally great time this term. Their Marine Biology kicked off with our friends from Sanford giving us a big bag of Spotted Stargazers. The external features and adaptations were studied. This amazing ambush predator with shovel like pectoral fins was so interesting. The Scholars finished their year with a third Science Trust badge – worn with pride. They are such hard workers and have completed some incredible projects.

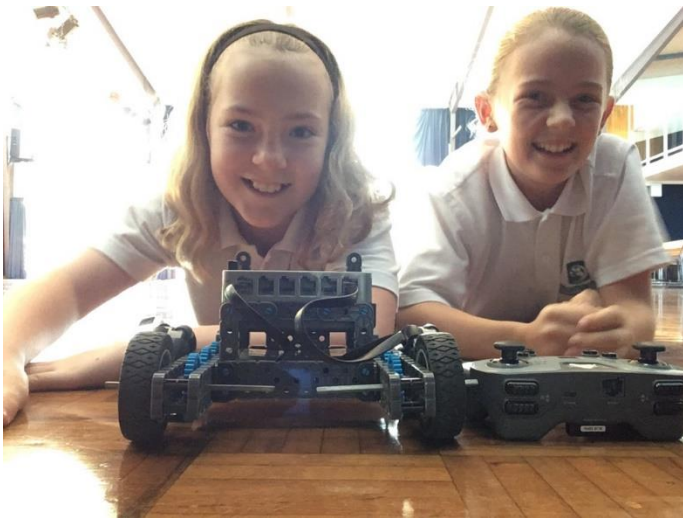

Ms McPike, Student Support

ROBOTICS

Two Robotics teams competed in Palmerston North for the Nationals Robotics Competition against other schools around New Zealand. The teams worked well as a group and conducted themselves in a proud manner. After a few repairs to the robots they were able to be very competitive against the other teams. 'Shooting Stars of Awesomeness' came 24th in the country, they scored 26 points in one game with the highest points from other teams being 28.

Mr Benson, ICT Teacher

2018 PTA HOME GARDEN COMPETITION

The PTA Home garden competition took place again this year and a number of students took the opportunity to take part. We were impressed with the amount of commitment that went into each project and it was pretty difficult to make the final decisions.

Well done to everyone who entered and we hope you continue to enjoy your love of gardening!

Our awards are as follows:

- Elsa Alexander: For excellent planning, different methods of growing and good problem solving.
- Charlie Minshall: For an original idea of edible flowers, amazing presentation and detailed diary.
- Josh Brown: For an innovative, fun and colourful result, amazing result and creative way of planting.
- Marissa Barber & Dani Brewerton: For good planning, nice garden design and fun theme.
- Kara Blackstock: For a huge effort from weeding through to actual result.

FAREWELL TO XIAOPING CHEN

Otumoetai Intermediate has had the privilege of having a Mandarin Language Assistant teacher, Xiaoping for the year which has enabled students to experience the Mandarin language and culture.

Xiaoping enjoyed learning about our culture and attended many class trips and a year 7 camp.

Xiaoping left our school last Friday to head back to China and we wish her well for the future.

SPORTS NEWS

Inter-Intermediate Sports:

Athletics

The BOP/Poverty Bay Intermediate athletics champs were held at the Tauranga Domain on the 30th of November. Our school sent 50 talented athletes to compete in the track and field events. The students had a great day, competed strongly and their fantastic results meant that our school placed second overall. The Gisborne trip was amazing and the boys had a fantastic time:

- Year 7 boys 4th overall in the beach challenge.
- Year 8 boys 3rd overall in the beach challenge.

Mason Kritz, Harvey Hinde and Lucas Finnigan won the team triathlon for year 8 boys.

Volleyball

Last Friday our school attended a volleyball tournament at the ASB Arena. Throughout the day all four teams enjoyed the games and did very well. I would like to thank Mrs Dey for organising the day and Miss Johnstone, Mr Meyers, Mr Braddock and Miss Neal for coaching the teams and for Ms O'Sullivan for helping on the day. Overall we had an awesome day and came away with the following placings:

- Year 7 girls - 2nd place
- Year 8 girls - 4th place
- Year 7 boys - 3rd place
- Year 8 boys - had a fun day

- Dominic Brown – Captain
- Phoenix Forrester
- Jackson Cottam
- Blake Fisher
- Connor Foreman
- Brayton Allan
- Xavier Wichman
- Max Matthews

PICKING UP AND DROPPING OFF STUDENTS

Parents and Caregivers become part of the solution

Please pre-plan your pick up and drop off of students at the car park Carlton St reserve off Ngatai Road, avoid Charles Street altogether and let your student walk up to the school. The Carlton St reserve, off Ngatai Road below the school, provides plenty of free vehicle parks and students can walk safely to and from school.

The congestion in Charles Street becomes unsafe and it is important for buses to use this area. It would also leave this small street accessible for parents picking up a student in emergencies.

Please consider a healthier safer alternative of parking and walking.

Safety Concerns in School Carpark

Some mornings before school there are sports training sessions. Consequently, there are often students around our school earlier than normal. All too often we are seeing parents who are clearly in a hurry to drop their child off and get to their own work, who drive into the front carpark at really excessive speeds. They usually then continue with the speed and exit by the recycling and clothes bins towards the college.

Others drive into the exits at similar speeds. Numerous times, other drivers have had to stop their car, or get out of the way on foot as this happens.

Our main concern is for those students on foot who are also early for a training session. We would like to appeal to our parents dropping off a student to put student safety first when entering or exiting our car park.

CHOOSE SAFETY OVER CONVENIENCE. REDUCE CHAOS AT OUR SCHOOL GATE.

WHAT IS AN ESCAPE ROOM?

Escape rooms are real-life games whereby you and your team will be placed in a themed room. In order to 'escape' you are required to solve a series of puzzles or tasks utilizing a wide range of technology to decipher codes and locks, whilst racing against the clock! Suitable for all age groups, Friends, Families, Dates, Social Clubs, Team Building and Work functions.

WHY US?

We are passionate about the whole experience and the only original up to 90 min game in NZ all the way from Europe offering an interactive detail themed experience.
