Dear parents, caregivers, students and friends of the school. Tena koutou katoa. Nga mihi nui ki a koutou katoa.

Welcome to our final newsletter for 2020. Considering the disruption caused by Covid-19, this has been another awesome year with our students positioning Ōtūmoetai Intermediate once again as one of the leading Year 7 and Year 8 schools in New Zealand.

A major feature of our school has been the high level of enthusiasm, skill and self-belief shown by the students in all aspects of school life. Every year we endeavour to develop in our students an expectation of manners, friendliness, encouragement, commitment and aspiration to do their best at all times. They haven’t let us down and we are proud of our students as they complete their 2020 year. In this newsletter we are pleased to share the academic progress of our 435 year 8 students from their start in year 7 to the end of their year 8 year.

This has been a particularly challenging year for you as families and staff as we traversed the completely unexpected global pandemic and coped with changing Covid-19 Alert levels.

On behalf of the staff, I would like to thank all parents, whanau, coaches, managers, PTA, Board of Trustees members for your support of the school throughout the year. I would also like to acknowledge and thank every member of our staff for their commitment to the students throughout this year.

We have something special at Ōtūmoetai Intermediate School and I look forward to a challenging and exciting year in 2021. To all our families, friends and sponsors, a big thank you and a very Merry Christmas and prosperous New Year.

FIRST DAY OF SCHOOL ARRANGEMENTS 2021

All new Year 7 students meet on the top astro turf as you come in the school gates. All Year 8 students meet at the hall. Signs will be out to direct you to the appropriate meeting points.

The bell will ring at 8.45 am and teachers will be introduced and classes will be announced.

We look forward to our new families joining us and welcoming our returning students.

2020 STUDENT ACADEMIC ACHIEVEMENT

The main intent of this final newsletter is to inform our parents and wider community on how we did academically school wide. Focus will be on the end of year achievements by our graduating Year 8 students.

Your child's report will provide you with quality feedback on how well they have achieved in reading, writing and mathematics. The report gives your child an “End of Year OTJ” in reading, writing and maths. An “OTJ” is an Observed Teacher Judgement”. Teachers use a combination of assessment data and their observations of a student’s work over the course of a year to make a teacher judgement as to where a student sits in relation to the expected curriculum level for a student, at that stage of their learning.

Why Use OTJs?

No single source of information can accurately summarise a student’s achievement or progress. A range of approaches are necessary in order to compile a comprehensive picture of the areas of progress, areas requiring attention, and what a student’s unique progress looks like. Using a range of approaches also allows the student to participate throughout the assessment process, building their assessment capability. Because of this, to assess a student in relation to their curriculum level, teachers need to bring together a range of evidence in order to form an observed teacher judgement (OTJ).

You will receive additional information about OTJs and how to view your child’s report in the report envelope.

As a school, our overall goal is to ensure that at least 85% of our students are achieving “at” or “above” the expected curriculum level when they graduate as Year 8’s. This involves a significant amount of collaboration with our contributing schools so we can collectively achieve this.

Teachers also become more expert at developing their teacher judgments over time as students progress from one year to the next in the New Zealand education system.
HOW OUR SCHOOL DID ACADEMICALLY THIS YEAR

We view our learning journey over a two-year period

At Ōtūmoetai Intermediate, a major area of strength is the ability of our teachers to accelerate student learning and achievement levels over the short space of two years they attend our school. A significant number of year 7 students enter our school in reading, writing and mathematics below or well below expected curriculum levels. The following graphs demonstrate the gains made by the 2020 year 8 students as a group from their entry in 2019 to exit in 2020.

By the end of year 8, the school has met its target of 85% of students graduating at or above the expected curriculum level in reading and writing. We are particularly satisfied with our writing results which have shown steady improvement since the introduction of the “Write That Essay” programme into our school and the wider Kāhui Ako.

This year, we fell short of our maths target with 82% of our year 8 students at or above expected curriculum levels in comparison to 85% in 2019. This is still a good result; however, we will need to monitor classroom maths programmes to ensure DMIC maths continues to be the core format for delivering these programmes.

Entry to Exit for Year 8 Graduating Students

The following graphs show the progress our Year 8 students made as a group during their two years at our school. The light blue columns show what levels our current Year 8 students were on at entry to our school in February 2019. The dark blue columns show the levels for these same students as they graduate from our school at the end of 2020.

Reading

As our Year 8 students graduate from school, the data shows 86% of those students are at or above the expected curriculum level for the end of the year.
This year, Ōtūmoetai Intermediate has continued to work with our contributing schools and Ōtūmoetai College to strengthen student writing across the Kahui Ako. Teacher professional development has been based around upskilling teachers in how to deliver strong writing programmes in line with the “Write That Essay” programme developed by Dr Ian Hunter from the Auckland University.

As the year 8 students graduate from our school, school wide data shows 85% are achieving at or above expectation in writing. It is particularly pleasing to see the shift in our Māori students from 52% to 77% of these students achieving at and above the expected curriculum level for writing by the time they leave us as year 8s. However, there is still much work to do to lift these levels to match those of all students.

As the year 8 students graduate from our school, our school wide data shows 82% are achieving at or above expectation in mathematics.
GRANDPARENTS DAY

What a tremendous Grandparents Day we had and a real honour to host over 600 grandparents at school for the day. The students and staff were still talking about the wonderful atmosphere and their experiences with grandparents well into this week. We would like to thank all families for their support and, in particular, our PTA parent volunteers who provided the morning tea. To everyone who sent along a plate of food, a big thanks from all of us.
MUSIC ACADEMY TOUR

The Ōtūmoetai Intermediate Music Academy of 2020 concluded a funny performance year by touring around the local contributing primary schools. Throughout the term students have put together an engaging 55-minute program of music which they were very excited about performing to a live audience.

The Music Academy tour was a fantastic opportunity and experience enjoyed by all students and was well received by all of our audiences. Our students loved returning to their old schools and sharing their Music. They loved seeing young people sing and dance along to what they enjoy doing.

A huge congratulations to all Music Academy students for putting together a fantastic and successful music tour for 2020. We wish to thank everyone that was involved parents, students and our audiences, until next year.
CHRISTMAS CHOIR AND CONCERT BAND

The Ōtūmoetai Intermediate School Choir love to give back to the community around this time of year. Last week the choir visited an elderly “Care and Craft” group at St Columbus Church, Cherrywood to sing a variety of Christmas Carols. They beautifully sung a range of traditional and contemporary songs that bought a lot of joy to this group of people.

The choir’s favourite song was “Feliz Navidad”. Students from the schools concert band also joined to share a range of Music that they had been working on throughout the year. They were great.

A big thank you to all students who were involved with the Christmas Performance 2020. You were extremely generous in your time, bringing joy to the community this Christmas. Kau mau te wehi!

ZONTA/ROTARY AWARDS

Each year, the Zonta and Rotary clubs select one year 8 boy and one year 8 girl to receive a trophy together with some financial support for the start of their first year at college. The nominees for these awards are students selected by their classroom teacher. These students have not only had a successful year with their learning but have shown maturity, responsibility, and perseverance in the classroom.

Each of the nominees below gave a short presentation to the judges on where they saw themselves in five or so years time. The judges then had the tough job of selecting two winners. The overall winners for 2020 were:

- Zonta Award – Dee Elle Mackie
- Rotary Award – Josh Gordon

A big congratulations to all the nominees who received a certificate and gift voucher from the clubs:

- Lucy Mohi
- Danni Brown
- Shinate Haynes
- Mia Solomona
- Senayt Woldie
- Cody Algar
- Riley Hennessey
- Taiawatea Matika
- Billy Fraser
- Codi Fredricks

2021 PHOTOLIFE PHOTOS

Class photos, along with student ID photos, will be taken on Friday 12th February 2021.
BANDQUEST 2020

Congratulations to all three Music Academy Bands Vintage, Cliche and Origin for giving an incredible band performance at Baycourt last night as part of the BOP Bandquest Regional Final. All bands performed to an outstanding level. Such an achievement by all students involved. Specific congratulations go to:

- BOP Top Musicianship Award | Rock Band, Cliche
- BOP 1st Place Award | Acoustic Band, Vintage
- NATIONAL WINNER | Top Guitarist Award, Devlin Kershaw-Langton
PERFORMING ARTS ACADEMY REST HOME PERFORMANCE

On Friday 11th December 2020, the Performing Arts Academy invited some local rest homes to school for an end of the year performance which included dance, monologues and some drama acts devised by our students. After each performance we shared some morning / afternoon tea with our guests, and chatted.

Our students played wonderful hosts making tea and coffee, and making sure our guests had something to eat and drink and someone to chat to. The school received such high praise from both the staff and residents of the rest homes about our students being so welcoming, friendly and accommodating. This annual event is looked forward to by both the students and our local residents and we look forward to inviting them back in 2021!
STEM WANA CURIOSITY DAY

On Wednesday 9th December 2020, Rooms 10 and 27 were fortunate to be involved in the STEM Wana Curiosity Day. This day was created to inspire children to become involved in STEM through working on challenges in science, technology, engineering and mathematics. The challenges included building Newton’s bridge, making a moving robot, folding 3D shapes, testing pH, creating catapults and electrical circuits, amongst others. Our activity was live streamed, along with the 14 other schools included in the challenge. Will from ‘The Hits’ paid us a visit too, which ended with him being chased out of our school with water balloons. OIS came second in the morning challenges, which was a fantastic effort. The afternoon involved building Rube Goldberg Machines - this was super challenging as there was only an hour to create a machine that could do eight different tasks. None of the groups managed this, but they had a great (occasionally frustrating) time trying. It was a fabulous day for everyone involved. Many thanks goes to the STEM Wana Trust for the opportunity to be involved.

2020 ART ACADEMICY LIONS PEACH POSTER CONTEST

‘Peace Through Service’

The Lions have provided an important reminder to the world that, through service, we can give and receive so much—Joy, Kindness, Hope and Peace. This year, young people had the opportunity to express their visions of peace through the lens of service. 13 of the Academy students produced some creative and innovative responses to the theme this year.

Congratulations to Meg Finnigan, Hannah Lines, Peyton Clode, Ruby Fox, Charlotte Reid, Lah You, Sequoia Trass, Bella Williams, Tom Dunn, Emma Hurley, Lisa Destrez, Lillie Allen and Rylee Brooker.

Lillie Allen and Rylee Brooker were the two students whose work was selected by the Lions to represent Ōtūmoetai Intermediate School, and a special congratulations goes to Rylee as her work was nominated as the District winner. We look forward to hearing how she gets on at the next stage.

I would also like to thank Harry Kiriakidis from Ōtūmoetai Lions for sponsoring and supporting our Peace Poster application.

Nik Williams, Art Teacher

YEAR 8 SOCIAL

There will be a photographer present on the night and photos taken will be available on line at http://carters.photoprintordering.com/pro_event.html, password: oisb20, or at Carters Photographics. For more information, call Carters Photographics on 578-9417.

**Note:** Ōtūmoetai Intermediate School Facebook photos will not be available this year.

**Pick Up**

A reminder, that we ask that parents wait outside the hall near the front door and if it is wet we will open up Room 16 for shelter. Parents will NOT be able to enter the hall during the social because of health and safety restrictions and fire regulations. At the end of the social, the front doors will be opened and parents will be able to enter and collect their child. Exit will be through the hall side door near the outside toilets.
More than any other leadership theorist, Robert Greenleaf helped us understand that leadership is all about service. Servant-leadership puts others first – in the hopes of promoting a sense of community. The Dalai Lama has said, ‘If you seek enlightenment for yourself, simply to enhance yourself and your position, you miss the purpose. If you seek enlightenment for yourself to enable you to serve others, you are with purpose’.

I would like to acknowledge the work that our Student Leaders have done over the 2020 school year. I would like to thank you all for your help, hard work and for the support that you have given, not only to me but to Senior Management and to our school in general. This year unfortunately you have missed out on attending special events as school representatives, such as the Year 6 information evening, due to our lockdown status, however, speeches were written and you were practiced and ready to go in case there were any last-minute changes in that status. You have however, had the opportunity to wear and trial our new school uniform. Also, you have played a major role in the promotion of our school as we move into producing new documents and websites, becoming our models in the promotional photos and videos. As a team you have taken guests on tours, worked in school delivering messages morning and afternoon, covered the canteen, PE monitors at lunchtimes, monitored our litter and hats for house points, run the engraving service and hosted assemblies.

Liliana delivered her speech as the student representative to nearly 1000 people at the final Year 7 and Year 8 assemblies and we will also saw Liam, delivering his speech at the final Year 8 assembly. Writing these speeches, learning them and delivering them is a huge task. You have both done so incredibly well. When asked to take on this role, you both leapt at the opportunity. Your attitudes are admirable and we appreciate all your hard work – thank you both.

Recently, when I was thinking of the criteria by which to choose our new student leaders for next year, I thought about what it was that you all demonstrated this year. The personal attributes that you have shown came to mind like; shows initiative and has that ‘can-do-factor’, can be relied upon, is organised, looks for ways to help those around them, can speak well in front of groups, are resilient and can have plans change on you with little or no notice and cope, you are trustworthy and do the right thing at all times. The job you do in school is big and you have all done it so well.

It has been a pleasure to work alongside such a respectful, giving, up-beat and happy team of hard-working students. I wish you all the very best for college next year. Take every opportunity that comes your way and give everything your best shot, you will be rewarded for the effort you put in. Thank you.

INTERNATIONAL STUDENTS END OF YEAR CELEBRATION

On Tuesday 1st December 2020 the International Students had their End of Year Christmas Celebration. The day began with a formal ceremony which included watching 'A Class of 2020' video, prizegiving, speeches, and farewell messages to leavers – Elijah Ko, Serin Sung, Diana Choe, Jake Oh, Jihyun Kim, Jeonghun Kang, James Go, Heewon Kim, Gunwoo Lee, Sophia Lee, Kevin Lee, Youlah You and Jake Lee. This was followed by lunch at Kulim Park for the students and their buddies and a secret santa activity. It was a great day and a perfect finish to our year. Thank you very much to our wonderful mums and agents for your amazing support this year.

Tina Liddle, International Student Teacher

TRINITY EXAMS

Earlier this term, several Speech and Drama students sat their Trinity College London Speech and Drama practical exams. Each student presented a programme showcasing their acting and speaking skills. Congratulations to all of you for stepping out of your comfort zone, performing and succeeding!

**Grounds/Maintenance**
- Ken Marupo

**ADAM CLARKE SCHOLARSHIP AWARD**

Adam was a highly talented student who was of great assistance as an ICT helper and peer mentor when he was a student at our school in 2003 and 2004. Sadly, Adam passed away in 2011 and David Isaacson, the school ICT teacher at the time, has kindly sponsored an annual scholarship in his name. David is now living and working in Melbourne but continues to take an active interest in our school.

The Adam Clarke Scholarship is to acknowledge Year 8 students each year that have been particularly helpful in ICT over their two years at our school. The Scholarship is for the amount of $100.00. It was our pleasure to award the 2020 Adam Clarke Scholarship to: Cody Fredericks and Sharne Wilcox. We would like to thank David for this kind donation and instigation of this award in memory of Adam.
ROBOTICS

Two Ōtūmoetai Intermediate Robotics teams competed in the National VexIQ Competition in Palmerston North over the weekend. With teams from all over the country coming together to scrimmage against each other, it was a tough competition.

After several rounds, Cameron Stewart, Noah Evans-McLeod, and Quinn Cave managed to secure 26th place and Tom Van de Pol, Nathan Smith, Paddy Mita, and Joseph Marjoribanks secured 19th place.

Well done to both teams.

Stephanie Colman, Teacher

SCHOOL ITEMS

Office Hours
Please note that the school office will be closed from 12.30 pm on Wednesday 16th December 2020 and re-open on Wednesday 29th and Thursday 30th January 2020 for hat purchases and pre-ordered stationery collections between 9.00 am and 2.00 pm. School is open for instruction on Monday 3rd February 2020 at 8.45 am.

Medications
All student medications that have been held at the office need to be collected by the last day of school.

Lost Property
Please ensure all students have looked through our lost property for any lost items.

Astro Turf
Please note that our Astro Turf is available for hire for people from our community. Keys are available from the school office for $20.00 plus a $5.00 refundable bond. Key hireage is on an annual basis and new keys are issued on 7th February each year at which time old keys need to be returned.

Uniforms
Please note that students are able to bike to school in their PE shirts for better visibility on the road but must change and wear our full school uniform once at school.
2020 PTA HOME GARDEN COMPETITION

The PTA Home garden competition took place again this year and a number of students took the opportunity to take part. We were impressed with the amount of commitment that went into each project and it was pretty difficult to make the final decisions.

Well done to everyone who entered and we hope you continue to enjoy your love of gardening! Our awards are as follows:

**Sustainability**
- 1st place: Zainab Harmine - using grass clippings, guinea pig and rabbit poop and meat and fish water.

**Flower**
- 1st place: Alec B - thorough and descriptive presentation, good descriptions and research, great photos and had sustainability.
- 2nd place: Jenna Salgado - lovely presentation and well documented.
- 3rd place: Ciaran Saundry - good presentation, easy to follow.

**Herb:**
- 1st place: Kaelyn Timms, great planning, research and goal setting.
- 2nd place: Melissa Gibson, for making her own pallet for garden and great presentation.
- 3rd place: Alizay Mitchell, eye catching presentation.

**Vegetables:**
- 1st place: Dane Wooster, great easy to read presentation, kept it simple and great problem-solving skills and enthusiasm.
- 2nd place: Zoe Armitt and Rylee Bell, great documentation of growth charts, food recipes and organic spray. Great research.
- 3rd place: Dhruvi Patel and Rhea Lal, amazing presentation, learnt from last year’s experiences.

**Highly Commended**
- Callista Gledhill - amazing thorough presentation and creativity.

SPORTS ACADEMY

What a fantastic year we have had in Sports Academy. The students have been awesome and despite having a disrupted year, they have shown amazing leadership skills and perseverance with their fitness and classwork.

In the classroom this year we have learnt about nutrition and what constitutes healthy snacks for pre and post games. They even got to go to the food tech room and make their own designer snacks! We learnt about how the body works, looking at our muscles and bones and how to best stretch and manage injuries. For fitness this year, we worked on speed and agility in the first part of the year and then went through a variety of workouts that pushed the students’ fitness levels. Their motivation to improve and work hard in these fitness sessions was awesome and it showed their dedication to being a great sports person.

Lastly, the students worked on developing warm-up sessions and lessons that they were able to deliver to classes at our school but also the contributing primary schools. This was a highlight for me as I got to see the students in their element, leading sports lessons designed by them. The students also played a crucial role in assisting Bellevue Primary in the running of their athletics day and cross-country this year.

We finished the year with an amazing trip to The Pinnacles in Thames. We stayed the night in the hut and tramped out the next day. It was a pretty challenging climb up with all students required to carry their own gear up for the night including sleeping bags and food. They did an amazing job and I was very proud of all the students for such a great experience and adventure. Thank you also to the parents that assisted on the trip.

I wish the sports academy students all the success in their future endeavours in sport and thank them for such a great year.

Mrs Duncan, Sports Academy
END OF YEAR BUS ARRANGEMENTS

SchoolHopper (Urban Buses):
- Buses 904a and 904b last run will be at 12.30 pm on Wednesday 16th December 2020.
- Buses 905a and 905b last run will be at 12.30 pm on Wednesday 16th December 2020.

Rural Buses:
- Our rural buses will run at 12.30 pm on Wednesday 16th December 2020. Please refer to the rural bus website at www.schoottransport.org.nz for any updates.

Please note that the school will be unattended from 12.45 pm on Wednesday 16th December 2020 so families will need to make arrangements for pick up.

2021 BUS ARRANGEMENTS

Schoolhopper Bus (Urban Areas)
All school services drop off and pick up at the school gate on Charles Street and start from Tuesday 2nd February 2021.

Please note parents/caregivers are encouraged to have a look at the information that is available on the website at www.baybus.co.nz for up to date information about buses.

Please contact us at School.Transport@boprc.govt.nz if you have any queries regarding the school network.

Rural Buses
Rural buses will start on Tuesday 2nd February 2021.

Students from Ōtūmoetai Intermediate School will be able to catch these College buses where room allows. For further information including times and stops, visit www.schooltransport.org.nz.

Fares:
The cost for the rural bus is $300.00 per year, payable to our school (this fare will be reviewed annually). There is a $20.00 discount for families who pay the full annual fare in Term 1 (ie annual fare is $280.00). There is also a $20.00 discount for families who have more than one sibling attending the same school and living in the same house (ie $280.00 per year or $70.00 per term per student). Where the annual fare is paid in Term 1 and a family discount applies, the annual fare would be $260.00 per student.
