Dear parents, caregivers, students and friends of the school. Tena koutou katoa. Nga mihi nui ki a koutou katoa.

Although winter is upon us, our school is a vibrant and active place. Now that we are in COVID-19 Alert Level 1, preparations are in full swing for Showcase, which is our annual production be held next term.

Please note our School Cross Country will be held on Friday 26th June and Showcase has moved to Week 5 of Term 3 on 18th and 19th August 2020.

Since our return to a regular programme, sports teams have been formed, practices are underway and we are working with other Bay of Plenty, Poverty Bay and Waikato Intermediate Schools to put in place high quality inter-school sport for the remainder of the year.

All classes are having a real focus on student learning and we will be reporting to you as parents on Thursday 2nd July 2020. These conferences will run throughout the whole day from 8.00 am to 8.00 pm. Meetings will be for 15 minutes to allow the teacher to discuss your child’s learning with you and your child, without being rushed.

We ask that you keep your child at home for the day except to accompany you to school for your learning conversation. The school will be open to supervise any students who do not have alternative care arrangements.

PLEASE NOTE:
At any time during the year, you are welcome to make an appointment with your child’s teacher to discuss their learning or pastoral care.

Nga Mihi Nui

Henk Popping

NAU MAI, HAERE MAI  
- FROM THE BOARD

We are sure you were as pleased as we were to hear the Prime Minister’s announcement about moving to Alert Level 1. For us, there will be no major changes to what we are doing and our school continues to be safe to attend, including any staff and children who are considered more vulnerable to COVID. We have a good cleaning routine in place, people who are sick are staying at home and we continue to encourage good hygiene practices.

We are supporting contact tracing by having QR code posters at our entrances – so if you haven’t already downloaded the NZ COVID Tracer app the Ministry of Health’s NZ-COVID Tracer app page has information to help you do that.

What is changing is we can now look forward to inter-school and community sport, cultural events and performances and to welcoming all of our school community on site for these activities. We are also planning increased numbers of field trips and other excursions.

The school Board of Trustees met on Thursday 28th May, 2020 and outlined below are some highlights from that meeting:

• The Board would like to acknowledge the teaching and support staff for their communication with and support of families throughout the COVID-19 national lock down along with a smooth transition for students back into school.

• Professional Learning and Development workshops in Mathematics, Writing and Structured Literacy are all underway. Our teachers are fortunate to benefit from the advice of a wide range of experts in these core learning areas, and will no doubt utilise new skills to lead learning in fresh and responsive ways.

• We are pleased to be able to provide every student with access to the “Write That Essay’ on line writing resource.

• The Board approved our new uniform for 2021. Items were examined and will be on display for parents to view.

• The Board has opted into the Government Donations Scheme again for 2021.

• The Board is working on our inclusive policy to ensure all students feel valued, accepted and are able to build their self-efficacy at our school. The policy is intended to include all students’ and their ethnic, cultural and religious backgrounds, students with medical disabilities, learning needs, hearing or sight impairments and LGBTQ+ identity.

• There are thirteen property projects underway at school. The most significant of these is the canopy over the top astroturf at the front of the school, installing air conditioners in all teaching spaces and modernising rooms 21 to 26.
NEW SCHOOL UNIFORM FOR 2021

Last year the Ōtūmoetai Intermediate School Board of Trustees resolved to review the school uniform as a result of approaches by parents and students seeking a change. The intent was to move to a uniform that met the following criteria:

- The uniform should be modern in appearance.
- The uniform should provide unisex options.
- The uniform should be comfortable and suitable for active emerging adolescents.
- The uniform should provide warm clothing options for winter.
- The key uniform items, top and bottom, should be able to be worn summer and winter.
- Footwear options should be cost-effective yet suitable for school wear.
- The uniform should be cost effective for parents and whanau, yet hard wearing enough to last the two years at Intermediate School.
- The uniform should be easy to keep clean.
- The uniform items must be able to look smart even after two years wear and tear (ie: no colour fading, degradation of materials).
- Long sleeved items must be able to accommodate the school achievement badges.
- The uniform must be suitable for all students, including those with skin allergies.

As a result of this review, a new uniform will be introduced from 2021 to replace the current uniform.

New uniform items are on view in the school library and some examples are shown in this newsletter. The Student Leaders and Manakura Māori school leaders are trialling the 2021 uniform to determine how well it will stand up to regular wear and tear before it goes on sale at the end of term four, 2020. You may see these students out and about in the new items during the rest of this year. The existing uniform worn by our current year sevens, will be phased out over three years and will remain the year eight uniform for 2021.

Year eight students next year are also able to purchase the new uniform items as they grow out of their current uniform. As from 16th December 2020, New Zealand Uniforms and The Warehouse will cease to be suppliers of the Ōtūmoetai Intermediate School uniform.

The Board have decided to sell the new uniform exclusively online through Argyle Clothing in Auckland. This is to enable the Board to keep the cost of the uniform affordable to our families and to maintain quality of supply.
New innovations include a wider variety of items and the ability to provide bespoke items for students who may:

- Need different sizes from those normally offered.
- Require longer skirts for cultural and religious purposes.
- Wish to wear cultural items such as a lava-lava.

Students have a choice of shorts, skirt, trackpants or lava-lava.

Further details on the change of uniform will be published in our newsletter and on our website as we approach term four.

**RUTHERFORD SCIENCE**

The Incredible Minds programmes are up and running on Fridays. Rutherford Science has begun for the Year 7 and Year 8 students with some one-off lessons looking at different sea creatures. In lockdown, I managed to find a few specimens from my local beach, to start the terms learning with.

We have researched the primordial sponges, invertebrate animals dating back over half a billion years! Last week was a hammerhead pup. We all got a close up look of its cephalofoil, the oddly shaped head, and learnt about the advantages this adaptation is to the shark.

This week we will look at the anatomy of bivalves. Next term we will begin units on Marine Geoscience and Genetics. The class is humming along and everyone was so excited to get started after lockdown.

*Ali McPike*
LIONS INTERNATIONAL PEACE POSTER

Chante Gollop, a past student at Ōtūmoetai Intermediate School, has become an internationally recognised artist by winning a merit award in the Lions International Peace Poster Contest. Chante won the Lion’s District competition which was sponsored by the Ōtūmoetai Lions Club in November 2019, followed by a win in the Multiple District national competition.

“Chante’s entry was forwarded to the International Peace Poster Contest held in USA,” says Ōtūmoetai Lion Harry Kiriakidis. “She was chosen as one of the 23 Merit Award Prize winners and will receive a certificate and US$500 in NZ dollar equivalent.”

For full details of the article, please visit:

All International merit prize winners can be viewed at:

THANK YOU TO TECT
TAURANGA ENERGY CONSUMER TRUST

We would like to express our appreciation to TECT for their recent grant of $100,000.00 to go towards our new canopy on the top astro turf.

TECT continues to support schools and other community organisations through grants and donations. These are made to many sectors and initiatives throughout the TECT district and our school has been a beneficiary over past years.

On behalf of our school community: a big shout out/thank you TECT
AUSTRALASIAN ICAS COMPETITIONS

At Ōtūmoetai Intermediate we encourage all our students to enter the Australasian ICAS competition. Below is a timetable of dates and the cost of each exam. Please note that this year there will be no Writing or Spelling Bee exams.

- **Queen's Birthday**  Monday 7th June 2021
- **Labour Day**  Monday 25th October 2021
MID-YEAR PARENT-TEACHER CONFERENCES

When: Thursday 2nd July 2020
Time: 8.00 am to 8.00 pm

On Thursday 2nd July 2020, Parent-Teacher conferences will run throughout the whole day and will be of 15-minute duration. This is to allow parents to have quality discussions with the teacher around their child’s learning and progress at school. We ask all parents to keep their child at home for the day except to accompany you to school for your meeting with the teacher.

The school will be open to supervise any students who do not have alternative care arrangements.

Interviews will be booked through www.parentinterviews.co.nz. Students will be given information on 24th June 2020 with detailed instructions on how to book your interview. This will include a unique booking code.

COMMUNICATING WITH PARENTS

More and more of our school information is available electronically and we have two apps which are great for your mobile phones:

- The Findus App at www.findus.co.nz/ōtūmoetaiintermediateschool enables you to access the information shown below.

- The Skool Loop App enables you to access our school calendar directly on your mobile phone. This is updated regularly. To download this app: In Google Play & App Store search ‘Skool Loop’ and choose Ōtūmoetai Intermediate School once installed.

All families who have provided us with their email addresses have been loaded onto our School-management system and will receive notifications and other school information via email.
Thanks to the following businesses for sponsoring our school app:

TRAVELLING TO SCHOOL

Bus Transport

No student should be travelling on a Tauranga Transport Network rural bus without a Term or annual bus pass. If you have not yet purchased your child’s bus pass, please be aware that students will not be admitted on the buses without a pass.

Coming to School by Bicycle

Students are welcome to cycle to and from school in their PE gear for better visibility but must change into their uniform for the school day. Please remember cycle helmets must be worn. Cycles are stored in our two secure cycle enclosures. Students should also secure their own bike to the bicycle stand. Although the cycle enclosures are locked daily, the school takes no responsibility for stolen bikes or helmets. We will however, follow up any attempted or reported thefts. Fortunately, these are extremely rare occurrences.

Coming to School by Scooter

Last term a number of students came to school on scooters. In previous years these have been banned from school along with skateboards because of the danger these have posed to the rider and other pedestrians. We will look closely at student behaviour in the first few weeks of this term and reserve the right to ban scooters from the school should problems arise. The school will not take responsibility for the security of scooters and will not provide storage for them in classroom areas. Scooters may be locked into the bike stands alongside bicycles. Skateboards are not permitted on school site at any time unless we are holding a skateboard day.

Coming to School by Car

A big thank you to all drivers who are complying with the clearway signs at the front of the school and parking safely on authorised carparks. If you are a regular driver, please make arrangements to pick up your child in Queen Road or Ngatai Road.

Picking Up and Dropping Off Students - Parents and Caregivers become part of the solution

Please pre-plan your pick up and drop off of students at the car park Carlton St reserve off Ngatai Road, avoid Charles Street altogether and let your student walk up to the school. The Carlton St reserve, off Ngatai Road below the school, provides plenty of free vehicle parks and students can walk safely to and from school.
The congestion in Charles Street becomes unsafe and it is important for buses to use this area. It would also leave this small street accessible for parents picking up a student in emergencies.

Please do not park on the yellow lines at the front of the school.

**Consider Park & Stride**

This means you park approximately 500m away and walk to meet your child. The benefits include: less congestion and improved safety around school gates, developing your child’s road sense and mood boosting exercise. Carlton Reserve is ideal, it’s only a short stroll away and has 130 parking spaces.

**CHOOSE SAFETY OVER CONVENIENCE. PROTECT ALL OUR CHILDREN**

**Safety Concerns in School Carpark**

Some mornings before school there are sports training sessions. Consequently, there are often students around our school earlier than normal. All too often we are seeing parents who are clearly in a hurry to drop their child off and get to their own work, who drive into the front carpark at really excessive speeds.

They usually then continue with the speed and exit by the top cycle enclosure. Others drive into the exits at similar speeds. Numerous times, other drivers have had to stop their car, or get out of the way on foot as this happens. Our main concern is for those students on foot who are also early for a training session. We would like to appeal to our parents dropping off a student to put student safety first when entering or exiting our car park.

**CHOOSE SAFETY OVER CONVENIENCE. REDUCE CHAOS AT OUR SCHOOL GATE.**
ENTERTAINMENT BOOKS

Support Ōtūmoetai Intermediate School by ordering your new Entertainment™ Book

Even in these difficult times, our school is still tasked with fundraising. We know many families will not be in a position to support us at this time.... But if you can, we would appreciate your support of the Entertainment fundraising initiative below. As New Zealand moves out of the Covid-19 Lockdown, there are fantastic savings to be made through the Waikato and Bay of Plenty leading restaurants, cafes and attractions. Your membership is a great way to find and support the local businesses that have been through some very challenging times over the past month or so. There are also great offers for online shopping and so much more. The New 2020 Entertainment Digital Memberships are now available.

Buy Now to receive a Bonus 2 months on your Membership .... And Activate post Lockdown to access 14 months of savings! Order through the Buy Now button or order securely online at:

https://www.entertainmentbook.co.nz/orderbooks/1548m32
COMMUNITY NOTICES

EVES CHERRYWOOD
Proud to be local

The Team at Eves Cherrywood has a wealth of ‘real estate knowledge’ and are proud to be local. Many of the team themselves were educated at both Ōtūmoetai Intermediate and Ōtūmoetai College plus several have had their own children attend or attending both schools.

Along with Property Manager, Kelly Rice they are dedicated ‘Ōtūmoetai’ people and enjoy being involved in the community.

Manager Gordon Stewart and his team at Eves Cherrywood would welcome the opportunity to work with you on your next real estate adventure.

- July - Holiday Programmes - 2020 -

8th July 2020
